2. WHO IS ELIGIBLE

Every member of the society, employed or unemployed, Namibian or non-Namibian is eligible to open an EASYMED ACCOUNT.

3.PARTICIPATION

Every account holder is subject to pay their monthly deposit on the effective date in order to activate the account. Failure to make payment on the effective date will result in the account being dormant for the month not paid for. Consultation of a dormant account receive a 50% penalty, to be added on the initial monthly deposit. Should the account be paid for the next month, the account become active again.

The account holder reserves the right to close their accounts or leave it dormant as long as they do not need Easymed services. An account that is dormant for 5 consecutive months become a restricted account. The account holder will not be able in the future to reopen any account with EasyMed Health Centre.

The effective date is not applicable during the month of account opening. The account is immediately active (which ever date of the month), provided that the initial payment is done.

4.WHAT IS INCLUDED

The account package includes medical consultations, writing of prescriptions and specified procedures. Medications, materials used during specified procedures and major procedures are not included and will be subjected to the account holder paying extra fee. Specified procedures include blood drawing, wounds care, pap smear, suturing, I&D,

5.NO CLAIM POLICY

Should the account holder not utilize the monthly benefits of his/her account, he or she cannot claim back the monthly deposit.
